SHOWTIME DANCE SCHOOL
FALL FUNDRAISER 2009

HERE'S HOW IT WORKS

Students sell the items out of the selected brochures. The money must be turned in with the fundraiser no later than Thursday September 24th. They will earn 35% profit (if turned in by the due date) that will go into their account for them. They may use this credit to help pay for dance tuition, recital fees, recital T-shirts, and dance DVD's. If it is turned in after the due date, they will only receive 30% profit. If for any reason the student leaves the studio, it must remain here and is not transferable to another student. Please have the person make all checks out to you. Then when you turn in the fundraiser, you make 1 check for the full amount to Showtime Dance School. Let me know if you have any questions. Thank you
